

## Grading Practices

School: Green Run High School

Subject(s): Naval Science One

Grade Level: 9-12

### Homework

**10 percent of the final grade used to reinforce what's being taught in the class.**

### Late Work

**Late work receives a 5 or 10 point reduction for everyone class day it is late. The point deduction amount is dependent on the complexity of the assignment. 5 points for more complex and 10 points for less complexity.**

### Explanation of Zeroes

**The 5 percent is given if there are circumstances around no work submitted and zeros are given if zero attempt is given after repeated reminders.**

### Reassessment

**Done on a case by case basis. In most instances, the pre-assessment provide the areas of concern for post-assessment**

### Make-up Work

**Due in the next class if it the work was given prior to the missed class. Otherwise, the student will receive the same amount of time the class was given to complete the assignment.**

### Extra Credit

**Given periodically to complement what is being learned.**
