

Grading Practices

School: Green Run High School

Subject(s): Earth Science, Biology, Chemistry

Grade Level: 9-12

Homework

Science does not weight homework.

Late Work

Late work will be accepted without penalty up until the unit test for that section.

Explanation of Zeroes

Teachers will place the code of “Mi” in for any work that is missing. This will calculate as a zero. When the student has completed the unit test for that section, the test grade will go in for those missing grades.

Reassessment

A student will be able to re-take a unit test if they have made up all their work for that unit.

Make-up Work

Make-up work will be accepted without penalty up until the unit test for that section.

Extra Credit

Science does not have extra credit.
