

## Grading Practices

School: Green Run High School

Subject(s): Technology Education

Grade Level: 9-12

### Homework

**Will not count for more than 10% and is given as enrichment for core material's covered in class.**

### Late Work

**Assignments are not considered late for excused absences. Late work due to a lack of using time wisely will result in a 10% deduction per work late, not exceeding 50%.**

### Explanation of Zeroes

**Zeros are used as a placeholder for un-submitted assignments, until the end of the grading period. Should no work be submitted by then a zero will remain as the grade.**

### Reassessment

**Given a quality first attempt, completed test, students who wish to retest will be given the opportunity within 1 week, as long as it is taken outside of class time.**

### Make-up Work

**Students who miss work for excused absences will have 3 days to complete the assignment. No make-up work will be given for unexcused absences.**

### Extra Credit

**No extra credit will be given in Tech Ed, unless extenuating circumstances exist. Extra credit given will not exceed 5 points for written assignments.**
